V.A.T. Reg. No. 222 7985 47 Reg. Charity No. 290786

SEED DISTRIBUTION - 2005/6

Before ordering - please read the following carefully!:

- ★ Indicate by marking with a cross in the order column, preferably in **colour**, the seeds you require. If more than one packet of a particular species is requested, write the number of packets in the box.
- ★ If a particular species is in short supply it may not be possible to supply more than one packet of that species to each applicant. The seed offered is obtained from a number of suppliers and listed under the names given by them. The Society regrets therefore that it cannot accept responsibility for incorrect names on the seed packets.
- ★ Whilst you will be sent the seeds of your choice if at all possible, please remember that some species may only be available in very small quantities and substitutes or a credit note may have to be sent. **Please therefore tick one of these three boxes:**
 - I have indicated acceptable substitutes by placing crosses in the Substitute Columns.
 - Please send substitutes of your own choice.
 - No Substitutes - Please send a Credit note.
- ★ Please add up the number of packets in each section in the spaces provided and calculate your remittance. **Please check this as errors may delay your order.**
- ★ If you would like a copy of the Society's leaflet on seed raising, please tick this box:
- ★ IT IS OF **GREAT ASSISTANCE TO THE SEED DISTRIBUTOR AND WILL EXPEDITE YOUR ORDER IF YOU ALSO PROVIDE A SELF-ADHESIVE LABEL ADDRESSED TO YOURSELF, OF A SUITABLE SIZE FOR THE RETURN POSTAGE OF YOUR SEEDS.**
- ★ Please add £1.00 (£1.80 overseas) to the total amount of your order towards the cost of post and packing (add extra for overseas airmail) and make your Cheque or Postal Order payable to BCSS.
- ★ Please allow 28 days for delivery before enquiring as interruptions to deal with enquiries whilst the Seed Distributor is packing orders only delay the work further!
- ★ **Overseas Members only please note:**
 - *Before sending your order please satisfy yourself that the local Customs and Import Regulations permit entry of cactus and succulent seeds. The Society regrets that it cannot be held responsible for seeds that are confiscated.*
 - *We regret that Phytosanitary Certificates cannot be supplied.*
- ★ Please order on this distribution list, which will be returned with your seeds.
- ★ Please **print** your name and address in the space provided below and forward your completed form, plus remittance and postage, to:
